

TOBY+FRIENDS

The Dawn of New Parallel Societies

Society

When society stops working in your favour and your protest falls on deaf ears – is it your right and duty to build your own?

Economy

When the economy enslaves and controls you – is it your right and duty to make your own?

Abundance

When life and family abundance are reserved for an elite – is it your right and duty to create your own?

A close-up portrait of a young woman with light skin, freckles, and green eyes. She is looking directly at the camera with a neutral expression. She has small hoop earrings in both ears. The background is a blurred, light blue-grey color.
